TO : General Counsel

DATE: 29 October 1953

FROM : Chief, General Services Office

SUBJECT: Providing Government Transportation for Agency Employees

1. We are presently providing Government transportation for female employees after hours from place of duty to 10th Street and Pennsylvania Avenue where public transportation terminals are located.

2. We have now received a request to provide pickup service from 10th Street and Pennsylvania Avenue to L Building and return for certain male and female Communications personnel. Your opinion as to whether we may provide such transportation in accordance with laws and regulations is requested.
